

Reading Rifle and Revolver Club

Sniper's match

Date:9/30/2012

Course of Fire:

10 Shots from 300yds, 15 Shots from 500yds, 15 Shots from 600yds, 5 Shots from a random distance (between 300yds and 600yds)

Target: NRA B27 silhouette target

Targets will be exposed for 10seconds at 300yds and withdrawn for 20seconds till 10 shots are fired

Targets at 500 and 600yds will be exposed for 20seconds and withdrawn for 20seconds till all shots are fired

Targets at "random" distance will be exposed for 30seconds and the next target will then appear, until 5 targets have been presented. The location (lane) of the target will also be random.

Rifles, may have iron or scoped sights, may have front bipods or bags, no "F" class front rests or F/TR rests

Caliber: Any safe caliber under .339

Competitors will pull pits, scoring will be done in the pits, shot location will be marked between shots with the exception of the random distance targets (no shots will be shown till the shooting is completed for that stage) There are no classifications for the competitors. If there are enough rifles types, they will be shot in their own class.

Cost \$25

Shooting will start at 9 am,

Contact: Charlie Trickett, Charlie@trickettwoodworks.com

Prizes: Trophy to the first place winner
